Dear Prospective Associate,

Sub: **Proposal for Creation of New Affiliate Associate Centre – AAC (IIEAP Regular Mode) of Hindustan Sarva Vidhyapeeth, Tamilnadu.**

With most respect, we would like to introduce ourselves as an **Exclusive Institution and Education Service Provider for Working Professionals under Earn and Learn System** through **INDUSTRY INTEGRATION EDUCATION PROGRAMME (IIEAP)**. We intend to expand the opportunity available with us across the India to all the go-getter education entrepreneurs like Educational Institutions, Existing Information Centers, NGOs, Entrepreneurs, Computer Institutes and others by appointing them as **AFFILIATE ASSOCIATE CENTRE (AAC)** to promote HSV's regular **PROFESSIONAL AND CONVENTIONAL** programmes. This opportunity is simple in operations, productive in yield and offering you a unique chance that would help you earn mega bucks, social recognition and reputation.

HINDUSTAN EDUCATIONAL INDEMNITY TRUST (HEIT) & ALLIED INSTITUTIONS

"Welcome to the Hindustan Educational Indemnity Trust and its allied group of Institutions, the largest education group in serving the nation. Known and acclaimed for its intense passion and zeal in the creation and dissemination of knowledge for the needs of an emerging India, we have used technology at its optimum to contribute our bit towards creating an erudite generation for now, and for the future. Our state-of-the-art campuses bear testimony to our unwavering commitment towards the student community, while our exemplary campus placement record speaks volumes about our proven success, year after year. Empowered students create an empowered nation. HEIT & Group has committed itself to this empowerment through its highly educated, skilled and long-standing **team of more than 1000 acclaimed professionals**.

HEIT & Group constellation of educational initiatives that has created careers and shaped lives for more than 100000 students since the past 22 years. That it has been specifically chosen to alter the education landscape makes us even more aware of our responsibilities towards the student community in particular and the society at large ... responsibilities that it has consistently and meticulously executed through its **various Affiliated and Autonomous Institutions, R&D Laboratories and IT Training Centres. Our industry integration, research facilities, largest area of state-of-the-art**

**HINDUSTAN
SARVA VIDHYAPEETH**
An Internationally Reputed And Recognised Autonomous Institution
Run by A Registered Not-For-Profit Autonomous Organisation Under Indian Govt. Act 2 of 1882.

**INDUSTRY INTEGRATED

COLLABORATING JOB AND EDUCATION

infrastructure cutting across geographies and unparalleled campus placements of well over 90%, year after year, bear testimony to our single-point agenda ... our students. 2500 of the very best who entrust us with their careers every year. About 45000 of our alumni are placed in the leading MNCs like TCS, WIPRO, CAPGEMINI, INFOSYS, CTS, L&T, IBM, ACCENTURE etc and is getting a pay package of over RS 12,00,000/US\$60K per annum in India and Abroad since 22 Years.

HINDUSTAN SARVA VIDHYAPEETH

Hindustan Sarva Vidhyapeeth is an internationally reputed and recognized Autonomous Institution focusing on providing Online / distance learning / face to face regular courses at affordable prices for all sections of society, and in the less developed areas of the country. It was formed under Indian Government registered as a National Development Autonomous Not – For – Profit Organization under Indian Government Act 2 of 1882. It is an initiative for making education accessible to the less privileged section of population, we have been making steady progress.

Although the objective of making education available to every child in India and our progress so far has started showing results. All of our existing centers are functioning well and the number of students enrolled is increasing every year. We leave no stone unturned in providing the best of education to them, and they on their part, have shown great dedication to get quality education. Our services have been very useful for the female students too. Parents are willing to get their girl child enrolled for online education as it is affordable and allow the students to study from home.

As a medium to end the discrimination between the genders for imparting of education, HSV has been doing an exemplary work. Since the girls only need to pay a minimal fee, and it can all be done at home, the parents residing in the remote areas of all the states welcome it. HSV scores over other learning centres that are by and large commercialized. As the students do not have to worry about lack of seat when applying for a course in HSV, the quality education that we provide solves many of their problems.

For professionals who are under tremendous work pressure and do not have time to pursue higher certification courses, our services have been very useful too. They only need to apply via a simple process of enrolment, after which they get their study material at home.

We sincerely hope to get better in our services in the future by adopting the ways in which education can be made feasible to each and every student our country and worldwide, without any sort of hurdles. Our humble effort in the fulfillment of this aim is but a small step in the direction of the goal that we have set ourselves to achieve. Nonetheless, we intent to keep marching ahead with renewed zeal for achieving our mission objectives.

RUN BY
HINDUSTAN EDUCATIONAL INDEMNITY TRUST

Registered With
Planning Commission, Min. of HRD, Govt. of India, as
Public Educational Charitable Trust and Not-For-Profit Autonomous Organisation Under Govt. of India Act 2 of 1882.

INDUSTRY INTEGRATED EDUCATION PROGRAMME (IIEdPm)

The HSV conducts Industry Integrated Education programmes as a means of continuing education for employed professionals as part of the human resource development programmes of specific organizations. For the conduct of Industry Integrated Education programmes, the basic requirement is the participation of the integrative organization by extending physical and other facilities and by agreeing to integrate their work requirements with the academic requirements of the HSV for the Pursuit of the Diploma / Bachelor / Master level programme. In all these programmes, emphasis is on self-learning and the pedagogy attempts to integrate as many modern technologies as desirable. While every one of these programmes requires integration of an organization, some programmes have a highly structured integration with planned classroom activities and some programmes may have less structured planning. While a number of Course of Programmes are offered through structured integration with many integrating organizations, there are also Course of Programmes, which are available in an open manner as Industry Integrated Education programmes for a large number of organizations, each of which may sponsor students. For all these programmes, faculty/resource persons are drawn from the Affiliate Associate Center of Industry Integrated Education programmes the participating organizations as well as experts from other Institutions.

Govt. Policy on Industry Integration

Government of India emphasized on the need for strong Institution and Industry Integration

The Scientific Manpower Committee (1947), Engineering Personnel Committee (1956), AICTE (1958, 1966, 1969, 1971), Thacker Committee (1961), Kothari Education Commission (1966), National Policy on Education (1968), Ministry of Education, Government of India (1978), Draft National Policy on Education (1979), AIEI (1980), Nayudamma Review Committee (1980), Challenge of Education – a policy perspective, Ministry of Education, GOI (1985), IIT Review Report (1986), many more committees, commissions, seminars, symposiums.....have repeatedly advocated and emphasized on the need for strong HSV industry linkages in India.

National Knowledge Commission (NKC), Government of India Recommendations for Industry-Institution integrations:

Regarding Ph.D. programme enable vigorous Industry-Academia interaction

Regarding need for more effective integration between industry and Institutions.

DISCLAIMER:

HSV is a private autonomous Institution, and not under the purview of UGC / AICTE / any Statutory Council. But it is duly registered under Law, and as such it is functioning under its bye-laws and Resolutions.

RUN BY
HINDUSTAN EDUCATIONAL INDEMNITY TRUST

Registered With

Planning Commission, Min. of HRD, Govt. of India, as

Public Educational Charitable Trust and Not-For-Profit Autonomous Organisation Under Govt. of India Act 2 of 1882.

The CERTIFICATION of HSV is being approved & allowed by DGET, Ministry of Labor, Government of India for EMPLOYMENT REGISTRATION throughout INDIA.

HRD is nothing but Education Department under Government. Hence, the Certificate issued by a Private Organization, can't be attested by a Government Department. However, some officers in Authentication Departments (instead of HRD) in some states may be doing it by humanitarian consideration, but we should not take it as granted all times. Then it is advisable to go ahead with the attestation of State Government's Home Department (Manthralaya) instead of HRD / AUTHENTICATION DEPARTMENT stamping.

The term "Autonomous body" denotes a self-governing body, independent or subject to its own laws, regulated by either company law or law on registered societies / trusts as the case may be. And so on, its own board of directors or trustees can specify the rules of business for the body / institution / organization and since it is an autonomous body, administration which is not controlled by any other authority including any state / UTs.

It must be noted for ever that HSV Certifications are NOT DEGREES but only DIPLOMA / PROGRAMMES of different Levels and exclusively designed for updating the Knowledge and which may be useful for private sector jobs alone in India and in many Abroad & Gulf Countries after Attestation of MEA and Embassies concerned.

However, no doubt, THESE CERTIFICATIONS are ATTESTED BY NOTARY, SDM (Sub DIVISIONAL MAGISTRATE), MUMBAI MANTRALAYA (State Govt. Home Department), MEA (Ministry of External Affairs- Government of India). After this, concerned Embassies may attest it.

Accordingly you have to counsel the students to avoid future litigations.

With Warm Regards,
Prof. Dr. SP SARAVANAHN
Honorary Chairman,
Hindustan Sarva Vidhyapeeth.

BUSINESS TERMS
