STUDENT SELF DECLARATION by AFFIDAVIT

I, myself

S/O

Resident at

Solemnly declare the following to the best of my knowledge and full will:

01. That I agree to abide by the Rules and Regulations of HSV from time to time.

02. That I, myself, have applied for the course.....of HSV at my own will and wish.

03. That I have gone through the Prospectus / Broacher/ Website of HSV and I have decided to apply for the above Course of HSV.

I found the following facts:

04. That HSV (HINDUSTAN SARVA VIDHYAPEETH) is an Independent Organization, an autonomous body, registered under appropriate Government Act.

05. The term "Autonomous body" denotes a self-governing body, independent, or subject to its own laws. If autonomous body or institution is a company, it is regulated by the company law. If it is a society, it is governed by the law on registration of societies. But in both the cases, its own board of directors can specify the rules of business for the body / institution. For simplicity sake, normally the boards of such bodies or institutions may adopt the rules of the concerned Government or department under which they work, but only by passing of a resolution to that effect and that since it is an autonomous body, administration of which is not controlled by any other authority including any State Govt./ Union Govt. of India, (U.G.I.)

06. HSV offers its own PROGRAMMES in various areas for improving the rate of Literacy especially in the fields of Science & Technology and as well as Proficiency and Development in Entrepreneurship among the students and so all its programs are meant for Value Addition.

07. HSV awards its own Certificates, after successful completion of the course of study concerned at its "Associate Training Colleges" and passed such Examinations at the "Examination & Evaluation Centers" under the norms prescribed from time to time by the Governing Council of HSV.

08. HSV is not a University and so it does not come under the purview of the UGC / AICTE / AIU / DEC/ other Acts and hence, any of such Authorities cannot recognize HSV.

09. HSV programs are especially aimed to improve employability in Private Sector organizations; however, these programs may be recognized by other Sectors also for either Employment or Higher Education in India and Abroad.

10. HSV is a legal Institution under the provisions of the Constitution of India.

11. HSV is an Independent, un-aided, private educational institution having the right to impart education and conduct its own examinations as per the byelaws and resolutions, passed from time to time by HSV.

12. HSV does not give guarantee for higher studies and employment on the strength of Certificates awarded by it.

13. HSV neither depicts nor declares that the Certificates awarded by it are equivalent to other Certificates that are issued by other Universities/ Boards/ Institutions/ etc.

14. HSV reserves its right to alter, modify, and delete any of the terms & conditions including Fee Structure, Examination & Evaluation Procedure etc. at any point of time.

15. HSV reserves the right to drop any Training Program on account of Administrative and other constraints or due to non-availability of required strength of students.

16. If the Student is dropped in the middle of the Program, the fees paid by the student will not be refunded or readjusted, as such he cannot claim for the same

17. Student shall enroll in a Program only after inquiring about the value of the Program and as well as the Certification being awarded by HSV.

18. The students, who are purely concerned about the Statutory Recognitions of the Certification, need not apply for any HSV Programme.

19. The Certifications of HSV can be attested by Notary Public / Sub Divisional Magistrate/ Maharashtra State Government (Mantralaya-Home Department) and Ministry of External Affairs, Government of India and also many Foreign Embassies. Also as per the guidelines, given by the Directorate of Employment & Training, Ministry of Labour, Government of India, these certificates can be allowed for EMPLOYMENT REGISTRATION in any Employment Exchanges of any State / UT of India.

20. That I shall not hold HSV responsible for my CERTIFICATION (awarded by HSV) being rejected by any other University/ Board for pursuing higher studies / any employer for my Appointment / Promotion due to lack of eligibility required or for any other unknown reasons.

21. That I understood that all the disputes relating to Admission, Study, Examination, issue of Results, Marks Statement and other Certification and etc. are governed by Civil Laws and Civil Courts only subject to Perundurai Jurisdiction.
